This memo is regarding outstanding issues from our October Quarterly Report 7/1/2014-9/30/2014
30 day post election 10/1/2014 -11/24/2014 and Year end report 11/25/2014-12/31/2014

Our filings were missing occupation data for several individuals. We were having
technical issues with the importing and merging process. We have since solved the technical issues and will have no
further issues

Everyone of our contributors have the same occupation. They are Equipment Operators.
We are in the process of updating the Individuals and Organization file to reflect the occupation
